Independent Accountants' Report on Applying Agreed-Upon Procedures

Board of Directors
State Employees' Insurance Board
Montgomery, Alabama

We have performed the procedures, as described in the supplement to this report, which were agreed to by the State Employees' Insurance Board's (SEIB) management, on evaluating the information in the Blue Cross Blue Shield (BCBS) performance guarantee reports provided to the State Employees' Health Insurance Plan (SEHIP) for the period January 1, 2018 through December 31, 2018. SEIB's management is responsible for the criteria against which the BCBS performance guarantee reports can be evaluated. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described in the supplement to this report either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are described in the supplement to this report.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the BCBS performance guarantee reports. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the SEIB and is not intended to be and should not be used by anyone other than those specified parties.
