I hereby affirm that I have completely read and fully understand the terms and conditions of this form. I attest that all the representations made by me on this form are true and correct. COVERAGE OPTIONS

Health Plans available to non-Medicare eligible state retirees who are eligible for Other Group Health Insurance (OGHI) through a spouse, other employer or previous employer:

Supplemental Plan

The State Employees' Supplemental Coverage Plan (Supplemental Plan) is administered by Blue Cross Blue Shield of Alabama. Non-Medicare eligible state retirees enrolled in the Supplemental Plan can return to the State Employees' Health Insurance Plan (SEHIP) on the first day of any month:

- The Supplemental Plan is free for you and your eligible dependents.
- The Supplemental Plan pays for copays and/or deductibles that your primary OGHI does not cover 100%.
- Members enrolled in the Supplemental Plan can enroll in or continue dental, vision, and/or cancer coverage with the SEIB.

You may not enroll in the Supplemental Plan if your OGHI is with the State Employees' Health Insurance Plan (SEHIP), Public Education Employees Health Insurance Program (PEEHIP), Local Government Health Insurance Program (LGHIP), the Marketplace, TRICARE, Medicaid or Medicare. Also, OGHI plans with an in-network deductible higher than \$1,350 for individual or \$2,700 for family coverage are not eligible.

For more information, contact your SEIB Benefits Advisor or see the State Employees' Supplemental Coverage Plan handbook at www.alseib.org.

Optional Plan

The State Employees' Insurance Board Optional Insurance Plan (Optional Plan), administered by Southland Benefit Solutions, offers you four coverages in one. This option is free and provides the following benefits:

- The Optional Plan provides dental, vision, hospital indemnity, and cancer coverage, all in one.
- The dental benefits included in the Optional Plan include an extensive provider network with enhanced benefits.

You may not enroll in the Optional Plan if your OGHI is with the SEHIP or Medicaid. Retirees who decline coverage in the SEHIP and enroll in the Optional Plan may not enroll in the Supplemental Plan, Dental Plan, Vision Policy, Cancer Policy or PCO.

For more information, contact your SEIB Benefits Advisor or see the SEIB Optional Insurance Plan handbook at www.alseib.org.

State Employees' Health Insurance Plan

The State Employees' Health Insurance Plan (SEHIP), administered by Blue Cross Blue Shield of Alabama, is typically the plan non-Medicare eligible state retirees choose when they do not have OGHI coverage available through a spouse, other employer or previous employer. Members who choose this option:

- Pay a monthly premium.
- Pay copays and/or deductibles for health and pharmacy services.
- May be subject to wellness premiums, premiums for tobacco use and may be subject to a premium for adding a spouse as a dependent.

For more information, see the State Employees' Health Insurance Plan handbook at www.alseib.org.

Decline Health Coverage

State retirees also have the option to decline all health benefit options offered through the SEIB. Retirees who decline health coverage may apply for health coverage during annual open enrollment or as otherwise specified in the SEHIP handbook. The Affordable Care Act requires each individual to have basic health insurance coverage (known as minimum essential coverage), qualify for an exemption, or make a shared responsibility payment when filing his/her federal income tax return. Failure to enroll in the SEHIP or obtain other minimum essential coverage may result in personal financial penalties.

Medicare Advantage

Medicare Advantage (PPO) combines all of the benefits of the former retiree health and prescription drug coverage under one all-inclusive and convenient plan. You must be enrolled in both Medicare Part A and Part B to participate in Medicare Advantage. Members enrolled in Medicare Advantage will receive an Evidence of Coverage booklet that outlines the plan's eligibility, rules, regulations, and benefits. The Evidence of Coverage, a current drug formulary, a link to the participating pharmacy directory, and a link to the provider finder is available at www.alseib.org. Dependents who are not Medicare-eligible will remain on the current SEIB health and prescription drug plan and should retain their current ID card.

Decline Health Coverage

State retirees also have the option to decline all health benefit options offered through the SEIB. Retirees who decline health coverage may apply for health coverage during annual open enrollment or as otherwise specified in the SEHIP handbook. Medicare-eligible state retirees must also complete the Medicare Advantage MAPD-EGWP (SEHIP) Opt-Out Form to disenroll from Medicare Advantage. The Affordable Care Act requires each individual to have basic health insurance coverage (known as minimum essential coverage), qualify for an exemption, or make a shared responsibility payment when filing his/her federal income tax return. Stand-alone Dental Plans available to state retirees: BCBS

Dental Plan (administered by BCBS)

Blue Cross Blue Shield of Alabama's Dental Network includes more than 1,750 dentists, approximately 89% of the dentists in Alabama. This managed care program provides diagnostic and preventive services covered at 100% of the preferred dental fee schedule with no deductible. It also provides basic and major services, including fillings, oral surgery, periodontics, endodontics, prosthodontics, and orthodontic services, subject to deductibles, co-pays, and an annual maximum benefit.

For more information, see the BCBS Dental Summary and the State Employees' Dental Insurance Plan handbook at www.alseib.org.

Southland Dental Plan (administered by Southland Benefit Solutions). Note: The Southland Dental Plan is included for free in the Optional Plan mentioned above, but, as a stand-alone policy, you must pay a premium:

Southland Benefit Solutions (Southland) provides a dental program with one of the largest dental networks in the State of Alabama. It is comparable in design to the BCBS Dental Plan with some differences in deductibles, co-pays, and maximum benefits available. It does not provide orthodontic benefits.

For more information, see the State Employees' Southland Dental Plan handbook at www.alseib.org.

Other stand-alone policies available to state retirees. Note: These policies are included for free in the Optional Plan mentioned above, but, as stand-alone policies, you must pay a premium:

Southland Cancer Policy

This policy helps offset the out-of-pocket costs you may incur with a qualifying cancer diagnosis. The policy pays a specified benefit for the following: hospital confinement, anesthesia, hospice care, ambulance, blood and plasma, nursing services, attending physician, prosthetic devices, radiation and chemotherapy, surgical procedures (payment varies depending on diagnosis). For costs and details of coverage, review the SEIB Cancer Policy handbook at www.alseib.org.

Southland Vision Policy

This policy helps offset the out-of-pocket costs associated with eye examinations, prescription lenses or contacts, and eyeglass frames. There is no network requirement, so you may utilize any eye care provider. The policy is subject to maximum benefits. Please review the SEIB Vision Policy handbook at www.alseib.org for additional costs and details of coverage.

GENERAL INFORMATION

Eligible Dependent

(Appropriate documentation must be attached.)

The term "dependent" includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

1. Your spouse (excludes divorced or common-law spouse);
2. A child under age 26, only if the child is:
 - a. your son or daughter,
 - b. legally adopted by you or your spouse, or
 - c. your stepchild;
3. Your grandchild, niece, or nephew:
 - a. under 19 years of age, and
 - b. for whom the court has granted custody to you or your spouse;
4. Your incapacitated child over age 25 will be considered for coverage provided the incapacitation occurred prior to the child's 26th birthday and the child is:
 - a. unmarried,
 - b. permanently mentally or physically incapacitated,
 - c. so incapacitated as to be incapable of self-sustaining employment,
 - d. dependent on you for 50% or more support,
 - e. otherwise eligible for coverage as a dependent except for age,
 - f. covered as a dependent on your Plan immediately prior to the child's 26th birthday, and
 - g. not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically incapacitated child is working, the extent of his or her earning capacity will be evaluated.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The SEIB shall decide whether an application for incapacitated status will be accepted and final approval of incapacitation will be determined by Medical Review.

To apply, contact the SEIB to obtain an Incapacitated Child Certification form. **A completed Incapacitated Child Certification form and proof of incapacity must be provided to the SEIB no more than 60 days after the child's 26th birthday. If you fail to submit the form and proof of incapacity within the required time period, your child will not be eligible for coverage.**

If you do not obtain coverage for your incapacitated child within 60 days of the child's 26th birthday, or if you do not maintain continuous coverage on the incapacitated child thereafter, the child is not eligible for future enrollment, except in the following two situations:

1. When a new employee requests coverage for an incapacitated child within 60 days of employment; or
2. When an employee's incapacitated child is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
 - a. the employee's spouse loses the other coverage because:
 - spouse's employer ceases operations, or
 - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
 - spouse's employer stopped contributing to coverage,
 - b. a change form is submitted to the SEIB within 30 days of the incapacitated child's loss of other coverage, and
 - c. Medical Review approved incapacitation status.

Exclusion: You may not cover your spouse or other dependents if they are independently covered as a state employee.
